Hi Mary Beth – Attached is the updated Revised Tipping Point response document for you final review. I made the editorial changes we discussed and added some background on each of the people mentioned in the responses. Please let us know if you have any additional revisions or if it is ready to send out to the stakeholders.

Hi Mary Beth – Mike Kalisz had discussions with Tipping Point and they have revised their responses to the stakeholders' questions based on your review comments. The links in the files have also been corrected and are active. I tried them all out and they worked for me.

We can discuss the revised responses this morning too.

Cheers!

Bill
